

Josephine Fields

Columbia, SC, 29208 | 803.397.7230 | jefields@email.sc.edu | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

EDUCATION

University of South Carolina

Columbia, SC

Bachelor of Science, Major in Electrical Engineering, Minor in Computer Science

August 2025 - May 2029

- **Relevant Coursework:** Calculus I & II, Vector Calculus, Elementary Differential Equations, Electrical Science, Circuits, Introduction to Microelectronics, Algorithmic Design II, Digital Logic Design, UNIX/LINUX Fundamentals

TECHNICAL EXPERIENCE

VEX Robotics

Irmo, SC

Lead Programmer

August 2021 - May 2025

- Led the programming team in designing, coding, and testing autonomous and driver-controlled robot systems using C++.
- Developed an early custom PID control algorithm for autonomous robot movement and positioning.
- Integrated sensor-based odometry and PID control into autonomous routines for robot positioning and navigation.
- Developed code for motor control, sensor integration, autonomous navigation, and real-time decision-making.
- Mentored new members in programming fundamentals and helped troubleshoot technical problems.
- Contributed to teams that qualified for and competed at state and world-level VEX Robotics Championships.

TECHNICAL PROJECTS

Personal Portfolio Website

HTML, CSS | [GitHub Pages](#)

- Designed and developed a personal portfolio website using HTML and CSS to showcase technical experience and projects
- Used GitHub and GitHub Pages for website hosting.

Sierpinski Triangle Simulator

JavaScript, HTML, CSS | [GitHub Pages](#)

- Developed an interactive simulator that generates Sierpinski triangles using recursive programming techniques.
- Applied mathematical and computational concepts to create interactive visualizations and documented the project through GitHub.
- Implemented user controls to explore different levels of recursion and visualize fractal patterns.

WORK EXPERIENCE

Irmo Chapin Recreational Commission

Columbia, SC

Summer Safari Counselor - Adult

June 2025 - August 2025

- Supervised and engaged groups of 10–20 children (ages 6-10) in daily recreational and educational activities.
- Ensured camper safety and well-being, enforcing camp rules and responding to emergencies calmly and effectively.
- Planned, organized, and led games, crafts, and outdoor activities that promoted teamwork, creativity, and physical activity.

Chick-fil-A Restaurants

Irmo, SC

Front of House Team Member

August 2024 - April 2025

- Handled cash, credit, and mobile payments with accuracy.
- Provided fast and friendly service to guests.

- Took and fulfilled customer orders with attention to detail and efficiency during peak hours and high-volume periods.
- Maintained dining and service areas to meet health and safety standards.

TECHNICAL SKILLS

Programming: Java, JavaScript, HTML, CSS, Python, C/C++

Engineering & Simulation: MATLAB, Logisim, Onshape

Technical: Algorithms, autonomous systems, robotics programming, sensor integration, PID control, debugging

Development Tools: Git, GitHub, VS Code, Eclipse, Unix/Linux

Certifications: OSHA 10
